

New Pictorial Directory

Your smile is going to be very important on July 12th and 13th. It has been 10 year since our last “official” pictorial directory. Wouldn’t you like put a name to the face of the person sitting next to you on Sunday? Lifetouch Photography will help us to achieve this goal.

Scheduling for photography sittings will start on June 13th, prior to our Church service, at 10:00 am in the reception room. We will also have scheduling after our Church service until 12:00 pm. Online sign-ups will also be available by clicking on the Lifetouch Photography link on the FPC website (www.presbyterian43040.org) starting on Monday June 14th. Photo times will be 2:30 pm to 9:00 pm both dates. If this is going to be a conflict for your family, please let Margo Lane, Jean Kearns or Debby Galloway know as soon as possible.

Every family who has a portrait taken will receive a **free 8 x 10 and a copy of the new directory**. The opportunity for family portrait packages will be available, and there is a summer discount of 20%. Portrait information will be available starting June 13th.

Lifetouch Photography offers the “Feed the Need” program. For each family who brings a non-perishable food item, Lifetouch will donate \$1.00 to our local food pantry (and we will donate all the food items!). Lifetouch will also offer \$5.00 off your family portrait order (in addition to the 20% discount).

We are looking forward to scheduling your sitting time on June 13th, 20th, and 27th!
